EXASCALE COMPUTING PROJECT

Another title page

M. T. Henry de Frahan

November 16, 2017

There is a 16x9 and 4x3 format, this is the 4x3.

For 16x9 format:

In `documentclass`, at top of tex file, add `aspectratio=169`

Change all references of `*4x3.jpg` to `*16x9.jpg`

Conclusion. . .

A citation to Henry de Frahan et al. (2015)

This research was supported by the Exascale Computing Project (ECP), Project Number: 17-SC-20-SC, a collaborative effort of two DOE organizations – the Office of Science and the National Nuclear Security Administration – responsible for the planning and preparation of a capable exascale ecosystem – including software, applications, hardware, advanced system engineering, and early testbed platforms – to support the nation's exascale computing imperative.
